

# CITIZENSHIP

## *Looks like...*

Respect for one's school, community, country, and flag

Helping to make my class, school, and country better places

Obedying the laws/rules of my class, school, community, and country

## *Sounds like...*

Voicing your opinion in the appropriate way

Pledging allegiance or loyalty to your country, state, city, and/or school

"Proud to be an American"

"Proud to be a Dilworth Dragon"

## *Acts like...*

Getting involved in school and community activities

Volunteering for a job or service

Voting for the person who deserves a job or who will do the job well, rather than voting for a friend

## *Feels like...*

Acceptance

Respect

Understanding

Equality
