

Honesty

Looks like...

Telling the truth

Keeping your eyes on your paper during a test.

Admitting you made a mistake and not blaming others.

Facing issues as they come up—not avoiding them by telling white lies.

Not telling a friend's secret.

Sounds like...

“I made a mistake.”

“I'm sorry.”

“I don't want to hurt your feelings, but...”

“It was me.”

Acts like...

Doing your own work instead of copying.

Telling the truth and not what you think someone wants to hear.

Returning change given to you by mistake or money that you found.

Writing a report in your own words instead of copying information word for word.

Playing fairly and not cheating at games.

Feels like...

Fairness

Trustworthiness

Having a conscience

Feeling good inside yourself

Integrity
