

Dilworth Elementary School Dragon Oath Pledge

An "oath" is a promise. At Dilworth Elementary School all Dragons are expected to work hard to live up to what our oath says.

Please read and discuss this oath with a parent or guardian, sign it and return the oath to your homeroom teacher.

As a Dilworth Dragon, I will act fairly and with integrity.

I will respect the rights of others and myself.

I will care about others and give second chances.

I will listen to others and help others learn.

I will take responsibility for my actions and will always be my best self.

I will be "On-Fire," even when no one is watching.

I will be "On-Fire" even when others aren't.
