

How do I get to the Book Fair?

We kindly ask for some patience with the website as this online experience was not the original plan for the book fair this year, but like everyone else, we're adapting! Please note that navigating the website on a mobile phone is possible but not ideal.

Go to <https://www.bedfordfallsusa.com/> and follow instructions in the image below to create an account (you will need to do this before you can shop).

What are the best ways to navigate the website once I'm logged in?

For a quick start, you can find Featured Books at <https://www.bedfordfallsusa.com/featured/> and filter by book categories such as Graphic Novels, Non-Fiction, Early Chapter Books, and more.

Browse all books on the site by clicking on "Books" at the top of the page and then clicking on "All Books" on the next screen. From there you can shop by Title, Series, Author, Grade Level, Price, and Book Category.

How will I receive the books that I order?

Books will ship directly to your home! Orders of just \$10 or more will receive free shipping.

How can I help my teacher purchase new books for the classroom?

Teachers will set up Wish Lists for their classroom that you can access directly from the website. From the home page, hover over "Books" at the top of the home screen and click on "School Lists" to find your teacher's list.

**IMPORTANT NOTE TO HELP PREVENT MULTIPLE ORDERS OF THE SAME BOOK ON A WISH LIST*: If you purchase a book off of the list, please check the box next to "No" under "Already Purchased", click "Submit Updates" at the bottom, and the screen should refresh to now show "Yes" under Already Purchased (see image below).*

Please send Wish List books to school with your children, or we can help make other arrangements if your child is in the full remote option.

**** If you purchase a book, check it off as purchased and click the SUBMIT UPDATES button ****

My child was awarded a SPARK Book Fair Gift Certificate? How do I use that?

These will be emailed to you directly the week of the book fair, 11/16. When you are checking out, you will enter the coupon code that was emailed to you. If you have more than one winner in your household, you can enter multiple codes at checkout ONLY if they are different codes. If they are the same code, you will need to do separate checkouts. If you prefer one checkout, please email DilworthPTABookFair@gmail.com. In most cases, we can issue a new code, or combination of codes to fit your needs.

After November 17th, if you believe you should have received a SPARK certificate but haven't, please reach out to us at DilworthPTABookFair@gmail.com.

We ask that you please only use the discount code if your child was the recipient of it. Thank you!
