## E L E M E N T A R Y

### AFTER-SCHOOL CLUBS

**Odyssey of the Mind:** An international educational program that provides creative problem-solving opportunities for students. Payment required.

**Robotics:** Provides students with an opportunity to solve a problem based on a real-world topic. Payment required.

**Chess Club:** This unique chess program teaches the basic rules of chess and stresses development, social and problem-solving skills. For more information go to [www.youngmasterchess.com](http://www.youngmasterchess.com). Payment required.

**Girls on the Run:** This program educates preteen girls for a lifetime of self respect and healthy living. For more information go to <http://www.gotrcharlotte.org>. Payment required.

**Let Me Run:** Let Me Run is a non-profit program aimed at strengthening boys in body and spirit. For details go to <http://www.letmerun.org>. Payment required.

**Mad Science:** Mad Science offers science-based enrichment activities that spark imaginative learning. For more information go to <http://www.madscience.org/charlotte>. Payment required.

**Tennis:** Tennis clinics are offered for various grades/ages and are run through Midwood Tennis Academy. Payment required.

**Piano:** Piano lessons are offered after school by Brian Radek. The space is limited. Payment required.

**Charlotte-Mecklenburg Parks and Recreation Tom Sykes Center:** Connected to Dilworth Elementary Latta Campus, the Tom Sykes Center offers several after-school activities including Legos, Arts and Crafts, Yoga and many more! Some clubs are free and others require a fee. More information is available at 704-432-4803.

\*\*\*\*These opportunities are just a sampling of our after school clubs and opportunities available at Dilworth Elementary! All clubs have scholarship opportunities available.\*\*\*\*
