September 2021

Dear Prospective Parents,

Welcome to Dilworth Elementary School. You are about to make one of the most important decisions regarding your child's future. "Where will I send my child to school to ensure that he/she is safe, nurtured, and academically challenged?" With so many choices in the Charlotte region, we are delighted that you have decided to take a closer look at Dilworth Elementary School.

Our students are spread across two campuses, and this creates a unique learning experience for both our younger and older Dragons. The Sedgefield Campus houses our Pre-K through Second Grade Dragons, and our Latta Campus houses our Third through Fifth Grade Dragons. This design helps us tailor our schedules and approach to learning to the specific needs of each grade level. Over the last couple of years, the school has achieved great growth amongst all of our students. This is due to the incredibly effective and highly qualified teaching team we have here at Dilworth.

The staff at Dilworth Elementary School are dedicated to providing the best education for your child. We work diligently to learn about the strengths and challenges of each of our students and address these areas in the classroom through differentiated instruction and resources. We provide engaging and meaningful lessons in a positive and nurturing learning environment.

We are committed to "growing" successful life-long learners who embrace 21st century thinking and will ultimately contribute to the local and global communities. Through character education, students learn to work together as respectful, responsible, and caring citizens. Community service projects occur throughout the school year and help our students learn the importance of helping others.

Dilworth School has a very supportive PTA. The school staff and parents have developed a strong partnership that provides support and enrichment opportunities for our students. Together we have created a school that supports the academic, emotional, and social needs of all students.

For more information about Dilworth Elementary School, please access our website. If you have specific questions, you may call our school office at 980-343-5826. We look forward to working with you.
