

Dear Prospective Dilworth Families:

Welcome to Dilworth Elementary! Thank you for considering our wonderful school as the elementary school choice for your family. The school administration, teachers, and PTA work together to ensure a successful school year for our Dilworth Dragons and we look forward to sharing our experiences with you.

Our Dilworth parents are dedicated to supporting the school and all of our students. They give generously of their time, talents, and resources in ways that set Dilworth Elementary apart. Here are some highlights:

Our PTA currently has 28 committees across two campuses. Committees enhance our school environment by coordinating school events such as the Book Fair, Career Day, and our DragonFest fall festival; hosting several social events throughout the year including the Parent & Staff Party; providing snack bags for families in need; and working with school counselors and classroom teachers to organize service-learning projects.

Volunteers are welcome in any capacity that they can serve. On any given day, our amazing volunteers are providing support in their child's classroom, in the front office, or for a committee from their work or home.

The PTA's activities and committees are funded through SPARK, our summer reading and math program, which raises over \$50,000 annually. In addition, our PTA's capital campaign, "Tip the Scales", raised over \$100,000 last school year. These dollars provide supplemental funding for classroom technology, field trips, staff professional development, and special projects such as the outdoor classroom areas at both campuses.

The Dilworth Elementary PTA provides support for our staff and teachers, academic enrichment and special events for our students and families, fundraising opportunities for our school, and weekly news updates to keep our community informed.

Please take the opportunity to explore our campus and have your questions answered by our principal and current parents. We are excited to show off our amazing school! Feel free to reach out to me if I can be of assistance as you make this important decision for the coming year.

Sincerely,

Anna Haustein-Spanheimer
2022-2023 PTA President
